

TEN THINGS I'M LEARNING ABOUT PRAYER

Luke 10-11

1. We pray because we can.
2. Prayer is relational, so be real!
3. Pray to get more of God, not more from God.
4. Growth & intimacy are found in the waiting.
5. Persistence matters!
6. Praying, we feel toward the world what God feels.
7. It's a matter of survival.
8. In the quietness of prayer life makes sense, again.
9. In prayer we get lost in His majesty and then praise Him for it.
10. The cross is the sum of all you've ever prayed.
