

GOD IS ALIVE

Let the darkness flee
It's got no power over me
I have been set free
God is alive

We've been redeemed so rise and sing

Ev'ryone glorify the risen Son
The holy One has overcome
Jesus is alive
The enemy is broken underneath His feet Death is crushed in victory
Jesus is alive Jesus is alive

And death where is your sting
Sin has got no hold on me
I am free indeed
God is alive

Let us wake and arise
Lift your voices lift your eyes
We're gonna shout we're gonna shake the skies
God is alive

The empty grave is singing now

It's shouting out He is alive

He is alive and we are free

JOY

We're choosing celebration
Breaking into freedom
You're the song
You're the song of our hearts
We cast aside our shadows
Trust You with our sorrows
You're the song
You're the song of our hearts

We're dancing to the rhythm of Your heart We're rising from the ashes to
the stars
You're the joy joy joy
Lighting my soul
The joy joy joy
Making me whole
Though I'm broken
I am running into Your arms of love
Whoa whoa whoa whoa whoa hey whoa whoa

The pain will not define us
Joy will reignite us
You're the song
You're the song of our hearts

The dark is just a canvas
For Your grace and brightness
You're the song
You're the song of our hearts
Whoa whoa whoa hey whoa whoa whoa

HERE IN THE PRESENCE

Here I lay my burdens down
Lose my worries in Your love
Casting every care on You
I have carried them enough

Chorus 1

We're not alone
Here within His love
Emmanuel
He is still with us

When the world becomes too much
Near the cross I will remain
Until every fear is still
At the mention of Your name

Mercy is falling falling
Lift up your hands receive it now
Here (You're) in the presence of the Lord

I know your past is broken
You can move on it's over now
Here in the presence of the Lord

Tired of running running

Be still and know He's in control

Here in the presence of the Lord

Pour out your heart before Him

Open your arms He'll hold you now

Here in the presence of the Lord
