A: Yes, and we are friends with all of them! These are churches we have established relationships with over the years and love to reconnect with them for Camps and other events!

Q: What do the sessions look like?

A: We have morning and evening sessions that last about an hour and thirty minutes. Each session is filled with activities, an engaging message, and worship.

Q: Can you bring a multi tool or knife?

A: No, students can not bring a knife or multi tool of any kind and if they do it will be taken away and returned after camp.

Q: Who are the Camp Leaders?

A: The Camp leaders who will be directly involved in your student's camp experience are young adults who have been faithfully apart of Mission Hills Church and our Student Ministries! They are all life scanned and ready to care and support your students in whatever way God leads them. The guys have designated male leaders and the girls have designated female leaders.
