

Navigators Bible Reading Plan

Overview

- This plan has been formatted to provide flexibility- you can begin whenever you like.
- This plan takes you through four different Scripture passages each day.
- This plan offers you 25 days of reading each month to allow space for catching up and reflection.
- This plan journeys through the Old and New Testaments each day.

By reading from four separate places in the Scriptures every day, you should be able to better grasp the unity of the Scriptures, as well as enjoy the variety of seeing four different viewpoints.

You can begin at any point in the year.

To prevent the frustration of falling behind, which most of us tend to do when following a Bible reading plan, each month of this plan gives you only twenty-five readings. Since you'll have several "free days" each month, you could set aside Sundays to either not read at all or to catch up on any readings you may have missed in the past week.

If you finish the month's reading by the 25th, you could use the final days of the month to study the passages that challenged or intrigued you.

If reading through the entire Bible in one year looms as too large a task, you can alter the plan to meet your needs. For example, you could read the gospels and the wisdom books this year, and the other two categories next year.
